Our educator's publication, *The Conservation Resource*, will keep you in-the-know about key conservation topics. It is published three times per year – fall, winter and spring.

Geared to teachers of grades 7-12, we hope educators of all grade levels will find the publication of use.

LOOK FOR:

- Current conservation topics
- Resource connections
- Career highlights
- Grant and workshop announcements
- Much, much more!

There is no charge for this publication. We encourage you to subscribe and learn more about conservation in Missouri.
